

CDHSAAA Group Cruise for 2012

Several CD Alumni have expressed a desire to go cruising again this year. Based on several suggestions, the destination for this one will be to New England and Canada in the fall. Several cruisers wanted to do more than the routine port calls in Maine, Nova Scotia and New Brunswick. To visit more ports, we decided to do a two week Celebrity Summit Cruise from Bayonne, NJ (NYC) with stops at Portland, ME, Halifax, NS, Sydney, NS, and Charlottetown, Prince Edward Island. Then the Summit will cruise down the very scenic St. Lawrence River to Quebec City for an over-night stay there. On the return trip the ship will sail back up the river to Gaspé, QB, on to Bar Harbor, ME, and then back to Bayonne. Seven exciting ports in 14 days! The cruise group is, as always, open to **ALL CDHS friends and family – everyone can go.** **Our group incentive is that every cabin will receive a \$75.00 credit to use on the cruise!!!**

The current PER CABIN price (TOTAL- including \$359.92 Taxes and Security Fees) for this
