

The Central Dauphin High School Alumni Association

Proudly offers a Keepsake Sale to benefit *The CDHSAA Scholarship Fund*

Collectible replicas of both the new Central Dauphin High School building and the original building on Locust Lane have been commissioned by the **CDHS Alumni Association** in a limited supply. **My Home Towne Collectibles** are handmade, finely detailed wooden reproductions that would make great gifts for **holidays, birthdays, graduations, class reunions**. Each piece is cut and then screen-printed in full color to create the most detailed reproduction available. Each replica version has a brief history of the building printed on the back and measures approximately 10" in length. Replicas of both campuses can be purchased individually for \$17.50 each or as a set of one "original" and one "new" for just \$30.00. (Shipping costs to one address - \$4.00 for one replica, plus \$1.00 for each add'l replica.)
